**COURSE:** This is a flat, fast course through minor roads in Ulverston to the Siemens Industrial Estate and back. The route is open to the public so be aware of traffic, cyclists and pedestrians. In line with UKA rule 240 S5 the wearing of headphones or similar devices (other than those medically prescribed) is not permitted. Runners should keep to the left-hand side of the road, using pavements where possible and follow instructions given by marshals. As there is a section of road at three and a half miles where there is no pavement for a further half mile, we do not permit running with dogs or buggies and is not suitable for wheelchair users. Maps of the courses are available to view at the Glaxo Sports Club on the day and on our website under course events.

**MARSHALS, WATER STATIONS & FIRST AID:** Marshals will be at all key parts of the course including turns and junctions. There will be water at the finish but not enroute – this will be cups rather than bottles.

First aiders will be at the start/finish. If you get into any difficulties on the course, please alert a marshal who will get help for you. If you need to drop out of the race and can make your way back, please let one of the marshals know and notify a race official at the finish area. This is to ensure we can safely account for everyone that started the race.

**FUN RUN MILE:** Anyone can take part in this event but under eights must be accompanied by an adult who should also enter (free) and receive a number - it helps with results. You can pre-enter on line (a small registration fee applies) or register on the night at the Fun Run registration desk. Entry fee is £4. The course is off road around the perimeter of the sports complex. If the conditions are too wet or muddy, then an alternative route is available along the road outside the complex. Medals will be given to all junior runners.
